Dear Friends and Family,

Hello there, I hope this letter finds you well. As some of you know, we have recently received word that we were accepted as missionaries with Wycliffe. Yeah!! This has been a long time coming, almost 10 years for me. So what started as an idea to travel to Africa this spring has resulted in us joining Wycliffe. It is amazing to see how God works in the small aspects of our lives to make the big things happen.

There are so many events that will be occurring in our lives over the coming months before Tywonn or I take an assignment with Wycliffe. The nearest event is Wycliffe's Training Camp which we will attend during the last two weeks in September. After this, I will begin doing a missionary counseling training with Wycliffe in January as I am trained to do missionary counseling; this training will last one year. This will be a busy year for both of us as Tywonn continues her education and working at Orlando Regional while I am training with Wycliffe, and both of us are gathering people to partner with us in this endeavor. We would covet your prayers as we follow God.

The goal of Wycliffe Bible Translators is to translate the Word of God for those who don't have the Scriptures in their language so they can know God, trust Christ as their Savior, and grow in their walk with God. I will be helping by providing counseling to missionaries, while Tywonn supplies nursing to missionaries and nationals, enabling linguists to concentrate on the task of Bible translation and literacy.

We believe it is not a coincidence that you are reading this information. For a specific reason, God has brought us to you in an effort to share in what He is doing. Although, we are stepping out in faith to join God in His activity, we cannot accomplish this work without partners who recognize God's call on their lives to minister to and through others. As we do not take God's calling lightly, we thank you for understanding the importance of partnering with us. Therefore, I would like to invite you to become a partner with us in the task of Bible translation. You can be a partner with us by either praying for us, telling others about our endeavors to get to Africa, or by financially partnering with us. If you choose to financially partner with please follow this [link](#). Thank you all of your encouragement in advance.
